

TRAVELER ENTRY FORM

A Traveler Entry Form must be filled in by travelers who enter Turkey, as a requirement by Ministry of Health in order to save electronically the health information declared by the travelers.

Travelers who will be arriving in Turkey by air travel must fill in the **Traveler Entry Form** on **register.health.gov.tr** within 72 hours before their trip. When the form is filled in a HES code will be created for a traveler, who will be able to use this code during their travel and accommodation in Turkey.

All Turkish and foreign travelers who have airline tickets to Turkey must:

1

Fill in the Traveler Entry Form on register.health.gov.tr within 72 hours before their trip.

2

Print out the completed form or download it to their mobile devices .(smart phone, tablet PC, etc.)

3

present the completed form on paper or on a mobile device to the airline personnel for control.

4

Travelers who could not fill in the form by their travel time will be able to fill it in before boarding on the plane.

People can contact related airline company in case of any problems.
